

Internship Business Development Program "Sunrise"

Jädekamp, 30419 Hannover, Germany

Company Description

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2021, Continental generated sales of €33.8 billion and currently employs more than 190,000 people in 58 countries and markets. On October 8, 2021, the company celebrated its 150th anniversary.

The ContiTech group sector develops and manufactures, for example, cross-material, environmentally friendly and intelligent products and systems for the automotive industry, railway engineering, mining, agriculture and other key industries. Guided by the vision of "smart and sustainable solutions beyond rubber," the group sector draws on its long-standing knowledge of the industry and materials to open up new business opportunities by combining various materials with electronic components and individual services.

Job Description

Within the segment **Anti Vibration Solutions** which belongs to the sector ContiTech a team has started a program called "Sunrise" which intends to find ways to **strengthen the profitable future for the segment**, deliver a unique selling proposition and identify new market opportunities by using agile methods whilst working in a cross-functional and cross-organizational team. Your tasks within this team with the estimated start date **approximately being the 30 th of January** until the completion of the program (approx. the end of March) would be:

- providing holistic support to the programs team members
- researching relevant topics and trends
- supporting the development of concepts

 You would be required to be in Hannover from the 30th of January until the 18th of February. After this period the percentage of your required presence can be discussed.

Qualifications

- Student (m/f/diverse) in the field of Business, Economics or a comparable field of study
- Good knowledge and safe handling of MS Office- programs (MS Word, MS Excel, MS PowerPoint)
- Fluent knowledge of English, both written and spoken, basic German language skills would be an advantage
- You are goal driven, have a Hands-on mentality and showcase a independent and responsible style of work
- You are a team player who is open minded and willing to challenge the status quo
- You are creative, innovative and can embrace agile methods as well as quick changes
